Information Technology is demoing a service that will allow streaming devices to connect wirelessly.

Users are invited to enroll their wireless enabled devices at https://clearpass.utoledo.edu/guest.

- This can only be done from a computer/mobile device that is connected to either the wired ResNet network or eduroam within the residence halls.
- o Please note you must have a valid UTAD account

After

- 4. Fill in the information requested in the fields
 - a. -A name to identify the device
 - b. of Enrolled Device (Please call the ITHelpDesk 419.530.2400 for assistance in locating your MAC address)

<u>on iho</u>	Man Marke ClearDace Guest	
Create Device	Chart.	All Home & Guest & Create Device
		ing Console Registration
	Device Name: Name of the device. * MAC Address: D11231F21353141F5	
		required field 17 Manage my devices

5. Click Create Device.

6.

- 1. Connect to wireless network <u>ResNetDevices</u>
- 2. Provide feedback via <u>ITHelp@utoledo.edu</u>

If the device does not work immediately after registration, please reboot and wait 15 minutes or try switching it eduroam temporarily and then back to ResNetDevices.
